RELIGION IN COMMUNIST DOMINATED AREAS (RCDA) is a semi-monthly publication edited by Paul B. Anderson and Blahoslav S. Hrubý and published by the International Affairs Commission of the National Council of the Churches of Christ in the U. S. A. -- Certain items marked CRE were selected and translated by the Centre de Recherches et d'Étude des Institutions Religieuses in Geneva, Switzerland. -- To make the reading of RCDA easier we put all our own comments or translators' notes in square brackets to distinguish them from the text. We invite RCDA readers to comment on its contents, as well as on the form of presentation. -- Yearly subscription to RCDA is $10.00 for the U. S. A. and all countries. Air-mail subscription is $10.00 per year plus additional charge according to current air-mail rates. Volumes I-IV (unbound) with indexes for each volume are available for $10.00 each plus shipping charges. Send your orders to RCDA, Room 566, 475 Riverside Drive, New York, N. Y. 10027, U. S. A.
